St. Gregory's faith community thrives through the active involvement of our school families. It is the desire and expectation of the Pastor and Principal that all families embrace the School's mission and support its initiatives. School families participate fully in the mission of the Church and School by giving of their time, talent and treasure through church support (through envelopes or EZ-Give), ministry involvement and school service hours, support of the Walkathon and Auction, and cafeteria duty obligation. Active participation and support of the Church and School initiatives qualifies a family for the above tuition rates and in doing so our families build a strong community of faith.
