

Embrace the Legacy

For the Love of Our Children

What we have done for ourselves alone dies with us;
What we have done for others and the world
Remains and is immortal.

– Albert Pike

Legacy Members are inspired to create a permanent testimony to something that is very meaningful to them. By providing for the future of St. Gregory the Great School, they leave their legacy. Legacy Members share the belief that St. Gregory the Great School is an important institution – one whose mission transcends any particular era and whose enduring, timeless values should continue to benefit coming generations. They believe this is a Legacy worth preserving.

At St. Gregory the Great Parish we are proud of our school because of the sacrifices and support of families, faculty and students who walked our halls years ago. They helped build a magnificent school that has "outlived" their time at this school, and in some cases, outlived their time on earth.

You can ensure that St. Gregory the Great Catholic School will serve every generation by making a provision in your estate plans for the school. Bequests are a good way to build the school's endowment, regardless of how large or small the gift may be. These gifts may also be designated for another purpose the donor might choose. Providing financial strength for the school in the years ahead is critically important.

Bequest Advantages

Your will ensures that your assets are distributed according to your wishes to the people and institutions most important to you. Through a bequest, you have the satisfaction of knowing that you will help St. Gregory the Great Catholic School students for years to come.

A charitable bequest is deductible for federal estate tax purpose. In addition, bequests generally are not subject to state inheritance or estate taxes. In a large estate, the savings can be more than the value of the bequest.

You may make a bequest to St Gregory the Great Catholic School by preparing a new will or adding a codicil to your present will. To make certain that your exact intentions are followed, wills and codicils should be prepared by or with the advice of your attorney.
